

Materials Management Committee Meeting Minutes
January 18, 2024
2:00 p.m.

Public Comments: None

Attendance: Gretchen Janssen, Craig Waddell, Ben Larson, Joel Keranen

Old Business

- 1. Updating County Materials Management Plan: No discussion
- 2. CCRI grant for signage and outreach update
 - o A copy of Jonathan Nagel's drafts of recycling informational pieces were reviewed. General consensus that they looked great. Craig noted that glass is still listed as acceptable to collect for recycling and perhaps shouldn't be as it isn't really recycled.

New Business

- I. Proposal to have Transfer Station appraised
 - The current Transfer Station was built in 2011 with a USDA Rural Development loan for \$1.322 million. The current liability is \$1.233 million. Discussion regarding having the Transfer Station appraised. Discussion about Green For Life, a competitor of Waste Management. GFL could potentially provide better recycling opportunities.
- II. Reschedule May meeting
 - The meeting in May will be on May 9 at 2:00 p.m.
- III.
